

Company Registration and Formation

Registering a project based on the Investment Law No. 22 for the year (2002).

The following procedures and documents are required for registration from the GIA. Documents are to be filled in Arabic:

1. A copy of the ID or family card of the Yemeni investor.

2. A copy of the passport for the Arab or foreign investor.

3. A valid copy of the commercial registry (in the case of the established companies).

4. A copy of the establishment contract with the primary system approved from related authorities (in the case of companies under construction).

5. A copy of the suggested location ownership document (lease contract/property document).

6. An authorization for the commissioned person (according to the form approved by the General Investment Authority)

7. A copy of the destructive environmental assessment of the projects requiring it.

The required fees from the Investor:

- Investment Application fees twenty thousand Riyals (100 US\$)

- Managerial services fees upon the resolution of the registration decision (0.00075 of the exempted fixed Assets).

- Managerial services fees upon the resolution of the registration decision (0.00075 of the exempted fixed assets).
